Alma Mater

Tune of "College Friendships"

To the high ideals that thou hast called us
We pledge allegiance strong and true;
And own a love that e'er will deepen,
Thomas Jefferson, for you.
And as we look into the future,
What'er our destinies may be,
O, Alma Mater, we will cherish
Fond memories of thee,

We love thy teachings and traditions.
The things no books can ever give.
For thou hast shown a deeper meaning,
Thou hast taught us how to live,
And we are glad to be thy children,
To toast thy future worth of fame,
So sing we now to Thomas Jefferson,
God's blessing on her name.
